

Moore Kids Matter

Today, you can thrive as a parent and, in return, **see your child thrive**. From the youngest of infants, to the oldest of adults...

relationships matter.

BECAUSE I WANT MY CHILD TO...

- ♥ know they are loved and important
- ♥ feel safe
- ♥ experience nurturing relationships
- ♥ live without violence
- ♥ understand the difference between good and bad touch
- ♥ manage and communicate their emotions
- ♥ be healthy
- ♥ be resilient and hopeful for the future

TODAY, I WILL...

- ♥ do my best to protect and provide for them
- ♥ ensure our home is loving and safe
- ♥ listen when they want to talk and spend quality time together
- ♥ choose to focus on the positive
- ♥ provide consistent and appropriate discipline
- ♥ find ways to manage my own emotions and seek help when needed
- ♥ ask myself, "Am I the parent I want to be?"
- ♥ be resilient and hopeful for the future

Every day is a new day.
